Jakarta, 9 September 2026 — PT Wijaya Karya Beton Tbk (WIKABeton) menyelenggarakan agenda tahunan *Public Expose Live 2026* yang disiarkan secara daring melalui IDX Channel pada Rabu (9/9). Forum ini dimanfaatkan WIKABeton untuk menegaskan kesiapan fundamental bisnis serta memaparkan arah transformasi strategis menuju pertumbuhan yang berkelanjutan.

Hingga Juli 2026, WIKABeton mencatatkan kinerja operasional yang stabil dengan perolehan kontrak baru sebesar Rp2,27 triliun, yang didominasi oleh sektor infrastruktur sebesar 58,83% serta dukungan pendanaan swasta mencapai 37,70%. Di samping itu, perusahaan berhasil membukukan pendapatan usaha sebesar Rp1,48 triliun, yang kontribusinya bersumber dari lini produk beton putar (47,9%), non-putar (34,4%), konstruksi (13,3%), serta jasa (4,4%).

Guna menjaga keberlanjutan dan kelancaran bisnis di masa depan, WIKABeton mengung tagline "*Bring Back Our Glory*" yang berfokus pada penguatan tata kelola, pengendalian risiko bisnis, serta penciptaan nilai melalui inovasi dan solusi bagi para pemangku kepentingan, sekaligus mengarahkan perusahaan untuk merambah pasar global, seperti keterlibatan perusahaan pada Metro Manila Subway di Filipina.

Sejalan dengan ekspansi tersebut, inisiasi berkelanjutan berlandaskan prinsip *Environmental, Social, and Governance* (ESG) terus dilakukan. Dedikasi tersebut dibuktikan dengan capaian skor 71 dari S&P Global.

Penerapan prinsip keberlanjutan dijalankan melalui efisiensi *lean manufacturing*, pemanfaatan energi terbarukan, hingga penyediaan informasi pada ESG *Dashboard*. WIKABeton juga memastikan tata kelola yang baik dan akuntabel melalui implementasi Sistem Manajemen Anti Penyuapan (SMAP) yang sudah mengimplementasikan versi terbaru yaitu ISO 37001:2025.

Implementasi menyeluruh atas tagline "*Bring Back Our Glory*" ini diyakini mampu menjadi katalis pemulihan performa serta menaikkan daya tawar produk di ranah internasional. Sinergi dalam memperkuat daya saing melalui diversifikasi pasar, peningkatan produktivitas, transformasi proses bisnis, dan penguatan kapabilitas talenta tersebut diproyeksikan akan makin meyakinkan publik pada pertumbuhan jangka panjang WIKABeton.

Penciptaan nilai yang berkelanjutan bagi seluruh pemangku kepentingan akan terus dipacu melalui optimalisasi bisnis yang nantinya akan memberikan dampak positif bagi kinerja WIKABeton sebagai bagian dari ekosistem Danantara dan BUMN.

Jakarta, September 9, 2026 — PT Wijaya Karya Beton Tbk (WIKABeton) held its annual event, Public Expose Live 2026, which was broadcast online via IDX Channel on Wednesday (9/9). WIKABeton utilized this forum to reaffirm the readiness of its business fundamentals and outline its strategic transformation direction toward sustainable growth.

As of July 2026, WIKABeton recorded a stable operational performance with the acquisition of new contracts amounting to Rp2.27 trillion, dominated by the infrastructure sector at 58.83% and private funding support reaching 37.70%. Furthermore, the company successfully booked an operating revenue of Rp1.48 trillion, with contributions originating from the spun concrete (47.9%), non-spun concrete (34.4%), construction (13.3%), and services (4.4%) product lines.

In order to maintain business sustainability and continuity in the future, WIKABeton promotes the tagline "Bring Back Our Glory," which focuses on strengthening governance, controlling business risks, and creating value through innovation and solutions for stakeholders, while also directing the company to penetrate the global market, such as the company's involvement in the Metro Manila Subway in the Philippines.

In line with this expansion, sustainable initiatives based on Environmental, Social, and Governance (ESG) principles continue to be implemented. This dedication is evidenced by achieving a score of 71 from S&P Global.

The implementation of sustainability principles is carried out through lean manufacturing efficiency, the utilization of renewable energy, and the provision of information on the ESG Dashboard. WIKABeton also ensures good and accountable governance through the implementation of the Anti-Bribery Management System (SMAP), having adopted the latest version, ISO 37001:2025.

The comprehensive implementation of the "Bring Back Our Glory" tagline is believed to serve as a catalyst for performance recovery and enhance product bargaining power in the international arena. The synergy in strengthening competitiveness through market diversification, productivity improvement, business process transformation, and the enhancement of talent capabilities is projected to further convince the public of WIKABeton's long-term growth.

The creation of sustainable value for all stakeholders will continue to be accelerated through business optimization, which will subsequently provide a positive impact on WIKABeton's performance as part of the Danantara and SOE (State-Owned Enterprises) ecosystem.
